Articles, reviews, and original essays reveal the critical reception of William Styron's works over the last 40 years 1985 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works. The book is a compilation of articles I wrote for my daily blog on Facebook. The focal point is the life of the everyday, beaten-down writer and what it takes to be a writer. This book brings together two seminal works by George Santayana, one of the most significant philosophers of the twentieth century: Character and Opinion in the United States.
